2 the house, trying to bring beer over to my daughters
3 and.....

4 Q Do you know what month and year this was in?

5 A This was probably January.

6 Q Of this year, '03?

7 A Probably December, I take that back. Maybe even
8 November.

9 Q Shortly after your arrest for DUI in October?

10 A Right.

11 Q So November or December of '02 most likely?

12 A Right.

13 Q Okay.

14 A 'Cause I'm -- I'm -- I can't remember when I actually
15 bailed my car out.

16 Q Shortly after that?

17 OFFICER VANDEGRIFF: Did he end up giving you
18 some money for that?

19 A No, he never did.

20 OFFICER VANDEGRIFF: And when's the last time
21 you talked to him -- when's the time you talked to him again
22 after that?

23 A Uh, about a week later -- actually it was a week later
24 when I called him and asked him for a ride to work is
25 the -- when he tried to get in. 'Cause after he tried

7 you call him on his home or his cell phone or.....

8 A Cell phone. Uh, he -- I had his home number, but he
9 was hardly ever there so he gave me his cell phone
10 number to call him at.

11 OFFICER VANDEGRIFF: Do you still have that
12 number?

13 A I didn't, but I think when I just cleaned my room out
14 the other day I found a number for him, but I think
15 it's his home phone, but I'd have to look it up and
16 see. It's easy enough for me to get his number.
17 I.....

18 OFFICER VANDEGRIFF: How could you get his

20 A Uh, just everybody at the bar knows Joe.

21 Q Is that how it came (indiscernible - phone ringing) all

23 A Uh-hum. (Affirmative)

24 OFFICER VANDEGRIFF: Yeah, one thing we'd like

1 Q When -- you said Erin has a history of running away or
2 disappearing at times. Where do you think she goes
3 when she runs away?

4 A You know, I don't know. I've tried to find her. I've
5 had her on a runaway thing for awhile. At, uh, one
6 point she was gone for two weeks and, uh, when she
7 finally did come back I took her right down and got her
8 drug tested and she came positive.

9 OFFICER VANDEGRIFF: For what?

10 A Marijuana, uh, ecstasy and cocaine.

11 Q When was that?

12 A Um, either December or January 'cause I know.....

13 Q Of 2003?

14 A Yes. I know that's mostly the reason why I quit
15 fighting my DUI case was because of, uh, what all was
16 going on. My lawyer said that I could beat it, but,
17 uh, there was one time I had came home from work and I
18 was going through a whole lot in December, one to bail
19 out my car I cleaned out all of my savings account
20 which was all the dividends that we had got. And, uh,
21 then my boss is sexually harassing me at work. And
22 Erin kept running away. And I didn't know where she
23 was. And, uh, then I -- that's when I started getting
24 sick, too, so I had a whole lot I was going through.
25 And one particular night, uh, I had had it with my

15 A I went to Al's. And when I had, uh, gotten a ride home
16 I had came home and Sally was here. And I looked
17 around my house and it was only Sally and my daughters
18 were in their room sleeping and Sally was up here on
19 the computer. And I went into my bedroom and stuff in
20 my room had been gone through. And ri- -- right around
21 the time that I had first got my divorce, '99, 2000, my
22 house was, uh, vandalized and then two weeks later
23 robbed of all my stuff so I was really hesitant coming
24 home and seeing Sally there because I don't -- didn't

1 had talked to my daughters and they said yeah, Sally
2 gets high with her mom and does favors for Joe so he
3 can -- she can get money from him. So I didn't want

5 about, uh, buying my girls and then trying to come in,
6 I didn't want her in here. So I started to kick her
7 out of the house, well then that woke up my daughters.
8 They called the police and I was out on bail with a no
9 drinking clause, so the, uh, prosecutor, I call it,
10 blackmailed me into taking, uh, saying that either I
11 was going to go -- my hearing was set for February 4th.

2 Awere. Erin.....
3 Q How do you know that?
4 Ahad a cell phone from Bambi. And she kept
5 cropping up with new clothes, some of them clothes that
6 I wouldn't wear.
7 Q Like what?
8 A Uh, high heeled shoes, sexy shirts, uh, a little
9 lingerie thing, you know, it would be something that I
10 would think an adult would wear, not a 14 year old.
11 Q She had this -- she had it at the house?
12 A Yeah.
13 Q So you see it on her.....
14 A When she would come home after being gone....
15 Q Yeah.
16 Ashe would always pop up with something new. And
17 so at that time even the -- when I was going through,
18 uh, my alcohol classes even the, uh, therapist there
19 that I talked to try to talk me out of taking the plea,
20 but -- and my lawyer tried to talk me out of it, but I
21 couldn't go back to jail with my kids on the street.
22 Q So unfortunately that was taken care of and out of the

25 A Um, I hadn't seen him around. I knew -- in fact, I

1 thought he had quit calling, but then, uh, in March --
2 at the end of March, my older daughter, Brooke, that's
3 24 moved back into town and she had moved her stuff
4 into Erica's room that Erin had been staying in right
5 before, uh, Brooke moved in and it has a separate line
6 inside the room there.

7 Q What's that number

8 A 336-5545.

9 Q Okay.

10 A And Joe was, I guess, calling that because Brooke said
11 that, uh, this isn't Erin's number anymore and I know
12 who you are so quit calling here, otherwise I'll call
13 the police or something like that, so -- but, uh, I do

18 later she had talked to Joe and Bambi and, uh, then

23 Q Is that here in town or out of state?

25 she got out of the hospital or something like that Joe,
